CHOOSING THE VENUE THAT'S JUST RIGHT FOR YOU

Capital Gateway has three rooms admirably suited to social functions. If you haven't already seen what we offer we encourage you to do so. Or you might wish to visit for another viewing and again, you will be made welcome.

Our role is to make sure your special occasion is a success so we are entirely flexible on how we can satisfy your expectations. Please feel free to discuss your needs with us.

FUNCTION ROOMS

The Tudor Room is the largest of our function rooms. The Tudor is ideal for up to 60 people in a dining room setting or more for a less formal gathering such as for cocktails.

At the top of its own feature stairway the Tudor provides your guests with their own ladies and gents toilets as well as a bar and servery area.

The Alex Room and the **Edward Room** are ground floor locations and both have appealing, non rectangular shapes. They are ideal as private dining rooms seating 20 to 25 people respectively. They also suit informal gatherings for guest numbers up to 40.

WHAT CATERING WOULD YOU LIKE?

Capital Gateway offers a range of catering options. These can include finger foods, buffet and a-la-carte or set menus for table dining.

Sample menu types are available on request. They are examples only and we will be happy to discuss your particular needs and tailor menu options to your requirements.

BAR SERVICES FOR YOUR SPECIAL OCCASION

We are Fully Licensed here at Capital Gateway and have a full range of refreshments including non-alcoholic beverages. Facilities for a full bar set-up are available in the Tudor Room. We can also provide a steward service or a self-service bar in all function rooms. The guest bar is also available and is often used for pre-dinner drinks. Please note we do not offer BYO.
